Comment Sought on Housing Opportunities in Gaithersburg Online Survey Available Through April 8, 2019

Gaithersburg, MD (March 8, 2019) The City of Gaithersburg is seeking feedback on the rental housing and homeownership experiences and needs of its residents. Input is also sought about perceived fair housing violations that deny residents equal access to housing opportunities. An online survey is available [here](#) and at www.gaithersburgmd.gov, with responses requested by 5 p.m. on Monday, April 8, 2019.

The Mayor and City Council are committed to affordable housing for all residents of Gaithersburg. The City has developed numerous programs and partnerships with developers, other government agencies and local nonprofit organizations for both affordable rental and for-sale housing. Feedback from residents will help the City determine if any modifications or enhancements to these programs are needed.
